

## 2024-2025 Financial Aid Professional Judgment Appeal

By requesting and completing this form, you are indicating that you/your family have experienced special circumstances beyond your control that have affected your financial status in ways that are not reflected on your FAFSA. Upon your request, the Office of Financial Aid will attempt to re-evaluate your financial aid eligibility for the present academic year. You will need to use the guide in this packet to submit all the documentation appropriate for your particular situation in order to enable the Financial Aid staff to review your application. Any delay in submitting documentation can prolong the review process, and may reduce your eligibility for aid, as funding allocations will be exhausted. All requests for Professional Judgment will be verified before processing any changes.

**NOTE:** Submission of this appeal form and any other documentation, in no way entitles or guarantees you as the student to a beneficial adjustment to your financial aid package. Having provided false or inaccurate information misrepresenting your income could result in a negative impact on your financial aid package during the professional judgment review process.

Please fill out the entire application, attach the required documentation and submit your completed documents either by fax to 1-615-250-4968, mail to the Office of Financial Aid, PO Box 5049, Greeneville, TN 37745, or scan and email to [financialaid@tusculum.edu](mailto:financialaid@tusculum.edu).
